REDHEAD COMPANIES

ART DIRECTOR FOR MARKETING/ADVERTISING AGENCY

Position Location

Ellicott City, MD

Position Type

Full Time

Position Reports to

CEO/Creative Director

Position Description

We need a very talented art type who can work in print and broadcast (print especially), but the Web would be a plus, too. Heck, so would video. You need to be as okay doing the work in the trenches as you are directing things from a mile up. We're Redhead. A marketing and advertising company whose mission is to bring out the redhead in organizations and in people

Qualifications

We don't want to get into how many years you've been in the business. Enough to know this is fun and hard and challenging and you have to stay passionate or you die. Enough to know that the whole team of AEs and artists and writers and media people and everyone has to work together. We do work in InDesign so that's important. Ad agency experience, please.

Other

Excellent lifestyle benefits.

How to Apply

Maybe a good place to start is to send us a few work samples and to add a note about what 'bringing out the redhead in organizations and people' means to you. Email jobs@redheadcompanies.com. Thank you!
