Art Director

Position Location

Fairfax, VA

Position Type

Full time

Position Reports to

Creative Director and Associate Creative Director

Position Description

Seeking an enthusiastic, motivated creative team member with ability to art direct and design the full spectrum of creative materials for both government and commercial clients.

- Collaborate with creative team members, project managers, and clients to develop strategic, high-quality creative solutions on time and within budget.
- High level of proficiency in Adobe Creative Suite (CS4 Mac platform) for creating print manipulating photos and art, and developing web designs and web 2.0 products.
- Ability to collaborate with web developers/coders and direct the design process.
- Self-motivated and able to work independently but keep creative team leaders updated and follow established creative workflow and QA/QC process.
- Highly organized, with strong ability to prioritize and manage workload.
- Prefer 5 years + experience and degree in related field, with strong portfolio including current, fully functional web site designs.

How to Apply
